The Utah Procurement Code provides that a procurement may be made without competition when there is only one source for the required supply or service. Therefore, a "sole source" procurement is justified if there is only one product or service that can reasonably meet the state's need and there is only one vendor who can provide the product or service.

The Division of Purchasing has received a request to make the following sole source procurement.

Requesting Agency: **Division of Juvenile Justice Services**

Product and/or service to be purchased: **Provide dental services at Slate Canyon Youth Center.**

Proposed Sole Source Supplier: **Dr. Carl Schoff**

Sole Source Justification: **Dr. Carl Schoff is one of four known dentists in the State of Utah with experience in providing dental treatment to juveniles in secure and detention facilities. His experience is rare due to services he provides to youth in custody of DHS/DJJS, who have severe dental problems that are due to gross neglect and who may also have behavior problems. Dr. Carl Schoff in the past has been the only interested dentist in providing services at Slate Canyon Youth Center. Of the four experienced dentists in the State of Utah, Dr. Schoff is the only dentist willing to service the Utah County area. No other dentist(s) has contacted DHS/DJJS expressing an interest in providing the same service.**

If for any reason any party does not agree with the proposed sole source procurement, please email **Rosemary Frenchwood** in the Bureau of Contract Management at [rfrenchwood@utah.gov](mailto:rfrenchwood@utah.gov) prior to the "Due Date for Comments" indicated above.
